## **My Voices Upset Me By Making Me Think Girls All Hate Me**

**21st September 2018 0634 hours**

B = bandido

S = scott stewart

B1: why are we doing this to you?

s: we're not, you are

B2:well well well

s: can I have some names please. Sorry to interrupt but this is urgent. Please give me 3 or 4 first names please, but preferably first and last names please

B3: I'm sorry we can't do that

s: well come and shoot me now please, and stop farting about on the inevitable. As if I can't forecast the inevitable based on your refusal to provide first and last names

B4: what are you going to do with that transcript

s: you know, when you ask a question that you failed to ask three or more years ago, it is obvious that you know what I am going to do with it, by the very nature of the question. I should send it to the cops.

b5: we don't like your wanking

s: you are not meant to. If I cannot talk to you, then I have to do all I can to deter you from watching me all the time, or at any time

b6: GK wants a few words

s: no thanks. He always hated me. I don't need more right now thanks
